Instructions to this QTR

1. The manufacturer should update the manufacturing summary whenever a change is made in the equipment or procedure. The manufacturer should inform these changes to TÜV SÜD with written notice.
2. The qualification process shall be repeated if any essential changes are made to the production route or manufacturing procedure.
3. This qualification QTR is only applicable to the manufacturer name and address listed herein. If the production is carried out at different plant/location, a separate qualification is required for each plant/location.
